What This Course Is About

The course introduces the role of IT for managing business processes and the need for business process and IT alignment. Emphasis is placed on industry need for understanding business challenges and developing/managing information systems to contribute to the decision making process based on these

challenges. Upon completion, students should be able to demonstrate knowledge of the "hybrid business manager" and the potential offered by new technology and systems.

What You'll Learn: Student Learning Outcomes

Upon completion of this course, students will be able to:

- Describe project management skills, roles, and responsibilities across the IT industry
- Explain the project management life cycle and compare different project management methodologies and frameworks
- Discover best practices for change management and solving business problems
- Demonstrate soft skills essential to the IT workplace
- Explore communication tools for business projects

What You'll Need: Textbook & Materials

Eagle Advantage is Wake Tech's textbook program for students in degree programs, excluding Career & College Promise (CCP) and Cooperative Innovative High School (Early College) students. The program ensures all required printed and digital textbooks are bundled and ready for pickup or delivery on or before the first day of class - saving you time and money and ensuring you're ready to learn on Day One.

If you are opted-in to Eagle Advantage, visit the 'Course Materials-BibliU' link in Blackboard for more information about the textbook details for your course. You can also find out more information by visiting FAQs and Troubleshooting – BibliU (https://support.bibliu.com/hc/en-us/sections/360004011038--FAQs-and-Troubleshootin)

If you opted-out of Eagle Advantage, you are responsible for purchasing any of the required texts/materials for this course. For more information about Eagle Advantage, contact our Bookstore (https://www.waketechcampusstore.com/SelectTermDept)

✳ How I Will Help You Succeed: Instructor Policies & Procedures

Instructor Expectations

1. Attend seated classes or any required online meetings on time
2. Follow the posted lesson schedule and submit work in a timely manner
3. All work must be your own—if your work is suspected of plagiarism, it will be reported as a violation of academic integrity, and potentially a grade of zero will result.
4. Follow netiquette guidelines in online collaborative forums
5. Follow posted email protocol when communicating via email
6. Commit to doing your best work on all projects
7. Use OneDrive or similar service to backup course files and assignment resources to prevent loss of data

Communication

Clear and respectful communication is an important part of your success in this course and in your future career. You are encouraged to communicate in Standard American English, in a professional, courteous, and easy-to-understand manner. This applies to all course interactions, including emails, discussion posts, and other forms of online communication.

When reaching out to your instructor, please include the course name, module, and assignment (when applicable) in your message. Many instructors teach multiple courses, and this helps ensure you receive a timely and accurate response.

If you are unfamiliar with expectations for professional or online communication (often referred to as “netiquette”), please reach out. Your instructor is here to support you.

Late Work

Each assessment will come with specific instructions for completion. It is your responsibility throughout the semester to keep up with your coursework. It is not the responsibility of the instructor to advise you of missed work during the term or in the last week of the term.

Exams must be taken on the assigned date; if an exam is not taken, a grade of zero will be assigned. Any exception to this policy must be documented as a documented emergency or a prior arrangement with the instructor. There will be no exceptions to this rule.

Any make-up exams must be taken prior to the scheduled exam date. This must be pre-arranged with the instructor. Last-minute arrangements are not acceptable.

How the Division Will Help You Succeed: Division Policies & Procedures

Process for Expressing Concerns about the Course

1. Please discuss concerns with your instructor first.
2. If your concerns are not resolved, you may contact the Department Head or Program Director of the department.

General Division Questions

For general questions regarding the Information Technology Division or assistance with program resources, students may contact Associate Dean Emmie Mercer at ermercer1@waketech.edu for guidance or referral to the appropriate department.
